UNL College of Architecture
2016 - 2017 Required Software: Help Sheet

Revit 2017, AutoCAD 2017, and 3ds Max 2017

For the 2016-2017 academic year, the College of Architecture will continue using the Autodesk Student Software Program, focusing on AutoCAD, Revit and 3ds Max. Other titles may also be downloaded directly from the Autodesk Education Community website. All titles are 36-month licenses, timed from the date of software activation.

To obtain software, students are required to register with Autodesk at http://students.autodesk.com/ using their student @huskers.unl.edu email address. This email address can be created as soon as the student has been registered for classes.

UNL Students: Student email addresses are available from the http://huskers.unl.edu/ website.

UNO Students: Student email addresses are available from the http://gmav.unomaha.edu/ website.

Once registered with Autodesk, students will be able to download software installers directly from Autodesk. These installers vary in size from 2.5GB to 7.5GB in size. Students should plan to download and install the software before arriving for the fall semester. Along with the installer, Autodesk issues a user-specific license and product key to register and authenticate the software with Autodesk.

More information can be found on the Autodesk Student Download Instructions document listed on the Computer Policy web page.

Rhino 5

Student licenses for Rhino5 are available from the publisher via their website, or the UNL Computer Shop located in the Lower Level of the Nebraska Union (402-472-5151). The educational version is identical to the commercial version, only sold at a discounted price. The license currently costs $195. The Computer Shop only carries a limited number of licenses each semester. Otherwise contact Rhino 3d at (206) 545-7000 or order from the following web page:

Online Store: http://www.rhino3d.com/sales/order-na-std.htm
*Download: http://www.rhino3d.com/download

*Note: A license purchased from UNL computer Shop only contains the license code, not the CD media. Please use the download link above for the installer.

Adobe Creative Cloud

The College of Architecture requires Adobe Creative Cloud for all programs. Adobe Creative Cloud is available for free to all enrolled UNL students. Follow the directions on the link below to sign up.

Microsoft Windows & Office (Word, Excel, & PowerPoint)

UNL students have the option of purchasing Microsoft Windows Professional or Ultimate and Microsoft Office (Mac) or (PC) via the Microsoft Campus Licensing Program. This option is available to current students only. Software discs may be purchased at the UNL Computer Shop. They only have limited quantities of older versions. Once they are depleted, they will no longer be available.

UNL Computer Shop

For the past several years the UNL Computer Shop has offered laptop packages specifically configured for students of the College of Architecture. Because of the positive response, the Computer Shop will again offer packages for students at the College of Architecture. Since 2013 they have worked with Apple and Dell to arrange special educational pricing.

Information will be posted to the Computer Sales website as the terms are finalized.

Please check with the UNL Computer Shop directly (402-472-5151) for more information on what options are available. Located in the city campus Nebraska Union at 1400 R street. http://sales.unl.edu/
