

CALL FOR MODELING MATERIAL DONATIONS!

Do you have modeling materials, tools, and/or drawing utensils that you want to get rid of? Maybe you are graduating and don't want to take the materials with you...

If you fit the description above or you just want to help, please consider donating your materials to the USGBC Material Sales (happening on Wednesdays in the Link during the month of April)! Donated Materials can be partially used but should be large enough for reuse. For any donation made, we will give you a USGBC tote.

USGBC will collect any items that you want to donate and sell them to students who could use them for future projects. Profits made from the sale will go to the USGBC student group fund.

USGBC IS TAKING DONATIONS MARCH 27TH - APRIL 21ST.
