

# 2019 HDR Scholarship

We specialize in engineering, architecture, environmental and construction services. While we are most well-known for adding beauty and structure to communities through high performance buildings and smart infrastructure, we provide much more than that. We create an unshakable foundation for progress because our multidisciplinary teams also include scientists, economists, builders, analysts, and artists. Our employees, working in 225 locations around the world, push open the doors to what's possible each and every day.

## About this Scholarship

Our scholarship committee will grant **one \$10,000 scholarship** to an exceptional graduate-level student, preferably enrolled in an architecture, civil engineering, environmental engineering, electrical engineering or mechanical engineering program. Along with the scholarship, the student must be willing to accept a paid internship in the Omaha, NE office. Housing and transportation are not provided for the internship.
