Student Personal Computer Autodesk Installation

Be sure to create your @huskers.unl.edu email account first at:

http://huskers.unl.edu

Go to http://students.autodesk.com/ and create an Autodesk account or use your existing account. **You must use your @huskers.unl.edu email address when you create your account with Autodesk.**

Click on “**Sign in**” at the top of the page to get started. This expands and now you can click “Sign in” again.

If you do not have an Autodesk account yet, click “**CREATE ACCOUNT**” to create one.
Once you have logged on, you can click the “Students” tab at the top.

Scroll down. Click “Get Products”

Access the Autodesk Education plan
Conf your eligibility to get individual access to the free Autodesk products
for educational use.
1. Create an Autodesk account
2. Confirm eligibility
   Note: you may be asked to provide documentation (Learn more)
3. Download and install software
   Get products
Eligible for product access through your educator? Get instructions
Not eligible for educational access? Explore options

At some point you will be prompted to confirm your eligibility. You will need a picture of your UNL ID or a copy of your transcript to complete this step. For incoming freshmen without a UNL ID you can use an unofficial transcript, to get your unofficial transcript, log into MyRed. Underneath the Academics tab, select Unofficial Transcript. You should be able to download the unofficial transcript from there and then upload it to verify your enrollment.
Fill out the next page, be sure to enter “University Of Nebraska - Lincoln” as the Name of educational Institution. It should auto populate, and you can click it to select it.
After you click verify you will need to upload the picture of your ID or transcript.

Additional documentation needed

Please upload a copy of documentation issued to you by your educational institution (e.g. tuition receipt or student ID, employee ID) as proof that you attend, teach or are employed at a Qualified Educational Institution.

You have 14 days to upload your documentation.

The document must include:

1. Your full legal name (Matt Bakrey)
   Note: The name on the document you submit must match this.
2. The name of the educational institution at which you are enrolled or employed (University of Nebraska-Lincoln (Lincoln, NE))
   Note: The school name on the document you submit must match this.
3. A date within the current school term.

Preferred documents include:

- Transcript
- School-issued confirmation letter
- A copy of your student ID (photo ID not required)

Supported file types: JPEG, PDF, PNG, GIF

Drag documents here, or browse

NOTE: If your uploaded document is too fuzzy to read, does not show your full and legal name, or shows a name different from the one you used for this Autodesk account, you will not be able to finalize the verification process. Please do not include any confidential information in the document you upload, such as social security numbers or banking details. Please ensure any sensitive information is blacked out before you upload your document.

Examples of preferred documents

School Transcript
Transcript with full name of student, school name, and date

School-issued confirmation letter
School letterhead with full name of student or faculty member, school name, and date

School ID badge with full name of student or faculty member, school name, and date, photo

You will get this confirmation after the upload completes. It may actually take up to 24 hours.

Thank you

The process to verify your eligibility to access Autodesk Educational licenses has now started. The verification process can take up to 20 minutes to complete. Please check your email for next steps. Also be sure to check your junk/ spam folder.
Once you get this email below (check your SPAM filter) you can continue. You can click the link to go back to the Autodesk website to install your software.

Welcome, Matt!

You’re eligible for free one-year educational access to Autodesk products through the Autodesk Education Community. Your access is valid through August 12, 2021, and you’ll have the opportunity to renew if you are eligible.

To use any of the available products, visit the Autodesk Education Community and click “Get Product.” Now—let’s start designing and making.

GET PRODUCTS

Locate Revit and AutoCAD on the list of products.
When you click on “**Revit**” or “**AutoCAD**” the box changes to include the “INSTALL” button.

This will download a small program to begin the install process. Start the installer after the download is complete.
This will start the actual installer for the program. Click install to begin.

Do not restart yet.
After opening the sign in page will appear. Click the “Sign in with your Autodesk ID”

Enter your username@huskers.unl.edu email address and Autodesk password to finish.
