

Student Personal Computer Autodesk Installation

Be sure to have access to your @huskers.unl.edu email account first at:
<http://mymail.unl.edu>

Go to <http://students.autodesk.com/> and create an Autodesk account or use your existing account. **You must use your @huskers.unl.edu email address when you create your account with Autodesk.**

Click on “**SIGN IN**” at the top of the page to get started. This opens a login screen where you can now enter your @huskers.unl.edu email address.

A screenshot of the Autodesk 'Sign in' form. The form has a white background with a dark blue border. At the top left is the text 'Sign in' and the Autodesk logo. Below this is an 'Email' label and a text input field containing 'name@example.com'. Under the input field is a grey button labeled 'View Saved Logins' and a dark blue button labeled 'Next'.

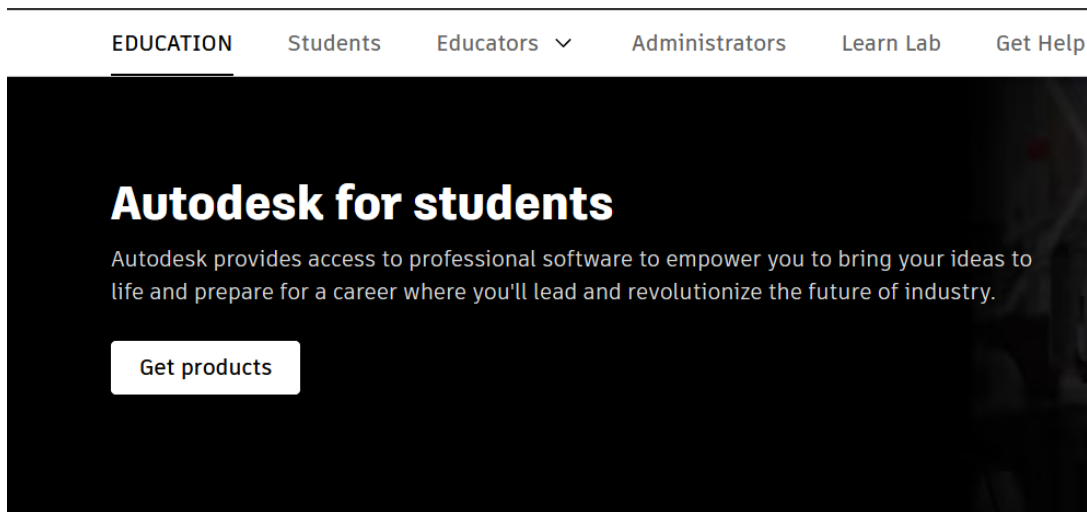

New to Autodesk ? [Create account](#)

If you do not have an Autodesk account yet, click “**CREATE ACCOUNT**” to create one.

Once you have logged on, click the “STUDENTS” tab at the top.

Scroll down. Click “Get Products”

At some point, you will be prompted to confirm your eligibility. You will need a picture of your UNL ID or a copy of your transcript to complete this step. For incoming freshmen without a UNL ID, you can use an unofficial transcript. To get your unofficial transcript, log into MyRed. Underneath the Academics tab, select Unofficial Transcript. You should be able to download the unofficial transcript from there and then upload it to verify your enrollment.

Fill out the next page, and be sure to enter "University Of Nebraska - Lincoln" as the "Name of the educational institution." It should auto-populate, and you can click it to select it.

Check your information below is correct and click Verify

All fields must be accurately completed to verify your eligibility to access Autodesk Education benefits. Thank you for helping us provide Autodesk tools for legitimate educational use around the globe.

Email
[Redacted]
[Wrong email address? Update address](#)

First name: Matt
Last name: [Redacted]

Country or region of your educational institution: United States
Institution type: University/Post-Secondary

Name of educational institution: University Of Nebraska - Lincoln

VERIFY > | [Cancel](#)

After you click 'VERIFY" you will need to upload a picture of your ID or transcript.

Additional documentation needed

Please upload a copy of documentation issued to you by your educational institution (e.g. tuition receipt or student ID, employee ID) as proof that you attend, teach or are employed at a **Qualified Educational Institution**

You have 14 days to upload your documentation

The document must include:

1. Your full legal name (**Matt Bukrey**)
Note: The name on the document you submit must match this.
2. The name of the educational institution at which you are enrolled or employed (**University of Nebraska-Lincoln (Lincoln, NE)**)
Note: The school name on the document you submit must match this.
3. A date within the current school term.

Preferred documents include:

- Transcript
- School-issued confirmation letter
- A copy of your student ID (photo ID not required)

Supported file types: JPEG, PDF, PNG, GIF

 Drag documents here, or [browse](#)

NOTE: If your uploaded document is too fuzzy to read, does not show your full and legal name, or shows a name different from the one you used for this Autodesk account, you will not be able to finalize the verification process. Please do not include any confidential information in the document you upload, such as social security numbers or banking details. Please ensure any sensitive information is blacked out before you upload your document.

Examples of preferred documents

School Transcript with full name of student, school name, and date

School-issued confirmation letter
School letterhead with full name of student or faculty member, school name, and date

School ID ID badge with full name of student or faculty member, school name, and date, photo

You will get this confirmation after the upload completes. It may take up to 24 hours to receive the email from Autodesk.

Thank you

The process to verify your eligibility to access Autodesk Educational licenses has now started. The verification process can take up to 20 minutes to complete. Please check your email for next steps. Also be sure to check your junk/ spam folder

Once you get this email below (check your SPAM filter) you can continue. You can click the “GET PRODUCTS” link to go back to the Autodesk website to install your software.

Hi Matt,

Your educational access to Autodesk products is valid through May 11, 2025.

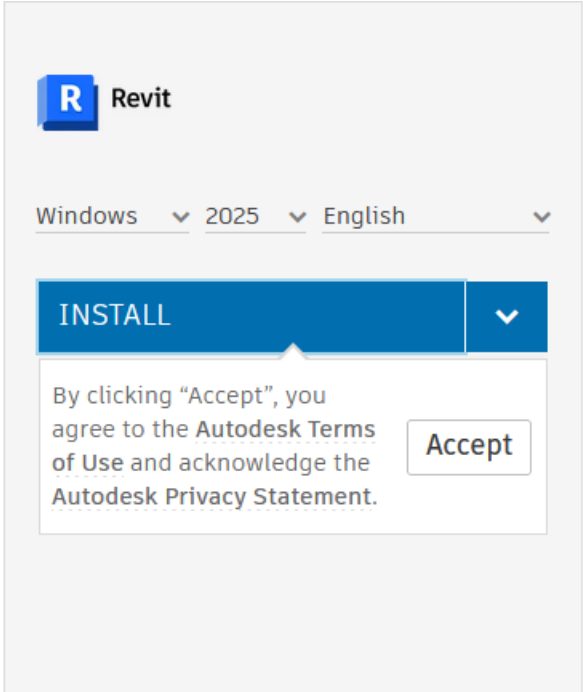

- To get Autodesk products for your own use, click Get product below.
- To assign Autodesk products to students, click the [Class/Lab](#) tab below.

Locate Revit and AutoCAD on the list of products.

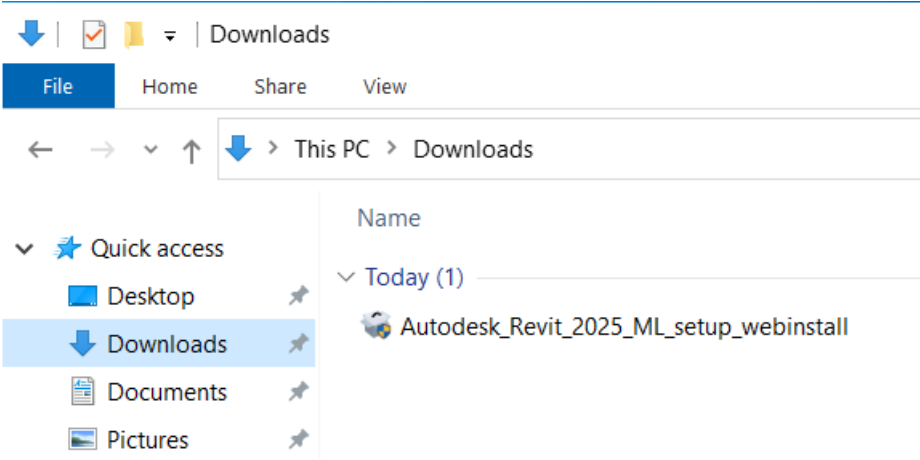

Filter by: All products (46) Platform: Sort by: Featured A - Z

Tinkercad Simple 3D design and 3D printing app Platform: Get product >	Fusion 360 Software or Browser Access Cloud-based CAD, CAM, CAE, and PCB software. Continue for access, then install Fusion 360 (multiple languages available) or run Fusion 360 from fusion.online.autodesk.com Platform: Get product >	Revit Plan, design, construct, and manage buildings with powerful tools for Building Information Modeling. Platform: Get product >	Revit Revit Generative Design Note: this product requires Autodesk Revit 2021. Quickly generate design alternatives based on your goals, constraints, and inputs to give you higher-performing options for data-driven decision making. Platform: Get product >
AutoCAD Software for 2D and 3D CAD. Includes access to AutoCAD Architecture, Electrical, Mechanical, Map3D, MEP, Plant 3D and AutoCAD Raster Design Platform: Get product >	AutoCAD for Mac Software for 2D and 3D CAD Platform: Get product >	Inventor Professional Professional-grade product design and engineering tools for 3D mechanical design, simulation, visualization and documentation Platform: Get product >	3ds Max 3D modeling, animation, and rendering software for games and design visualization Platform: Get product >

When you click **Get product** on **REVIT** or **AUTOCAD** the box changes to include the **INSTALL** button. Click the **Accept** to begin the download of the install file.

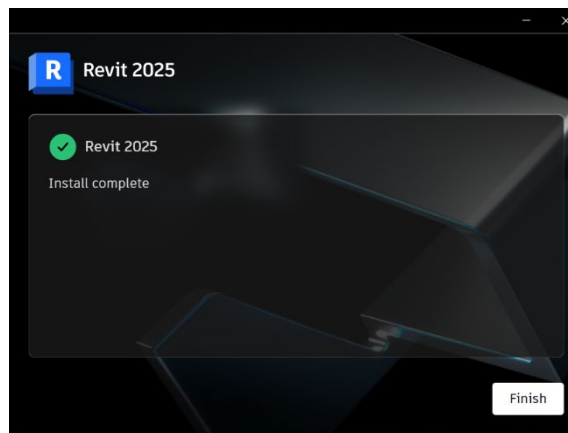

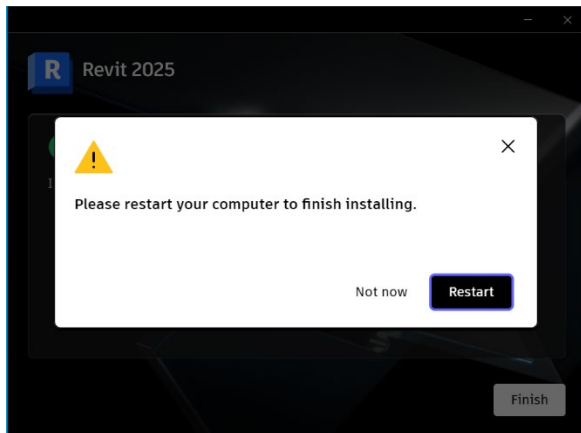

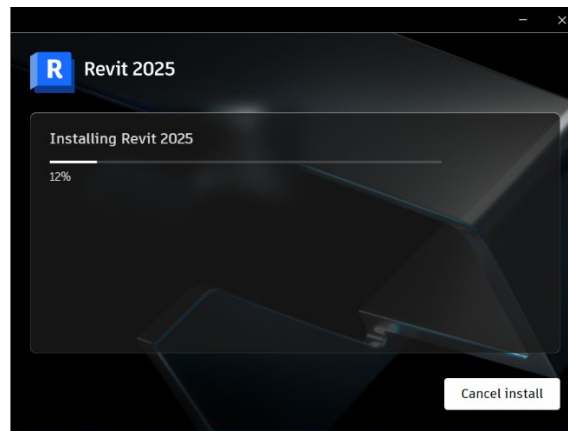

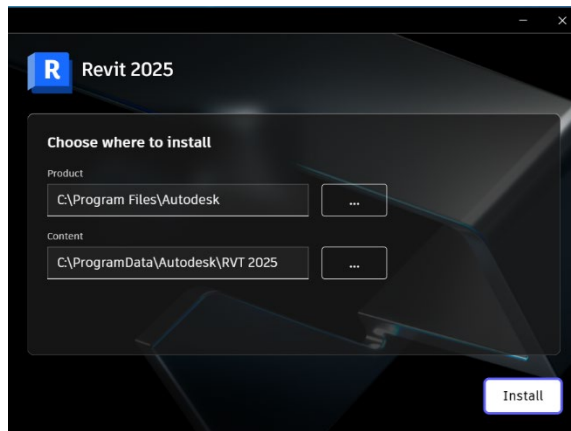

This will download a small program to your **Downloads** folder. Double Click it to begin the installation process. You will repeat the process for AutoCAD.

This will start the actual installer for the program.

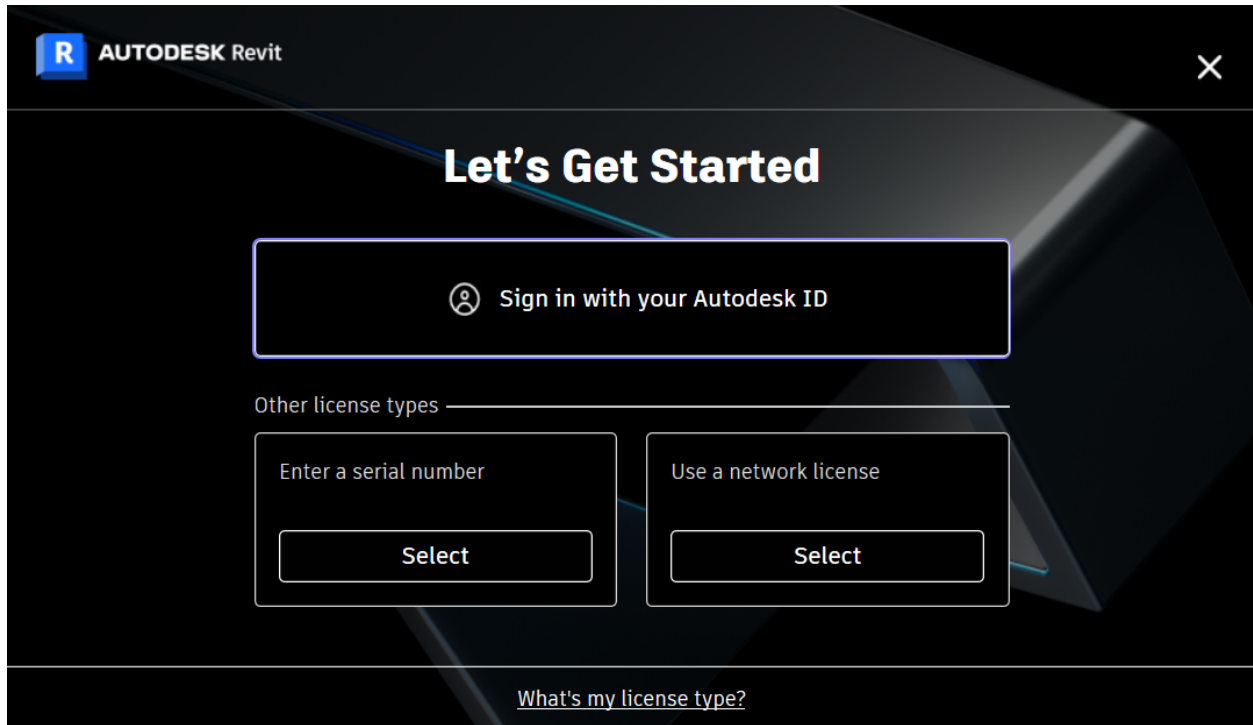

Click **“Install”** to begin.

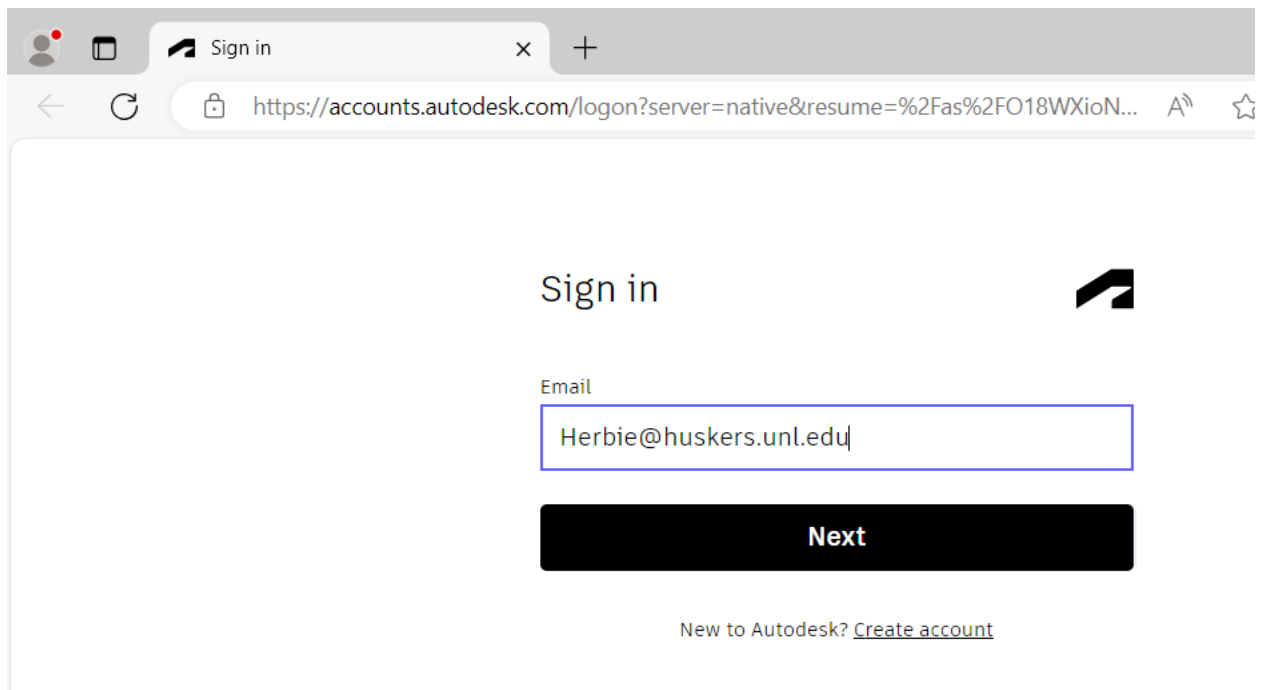

Do not restart yet.

Click **“Finish”**

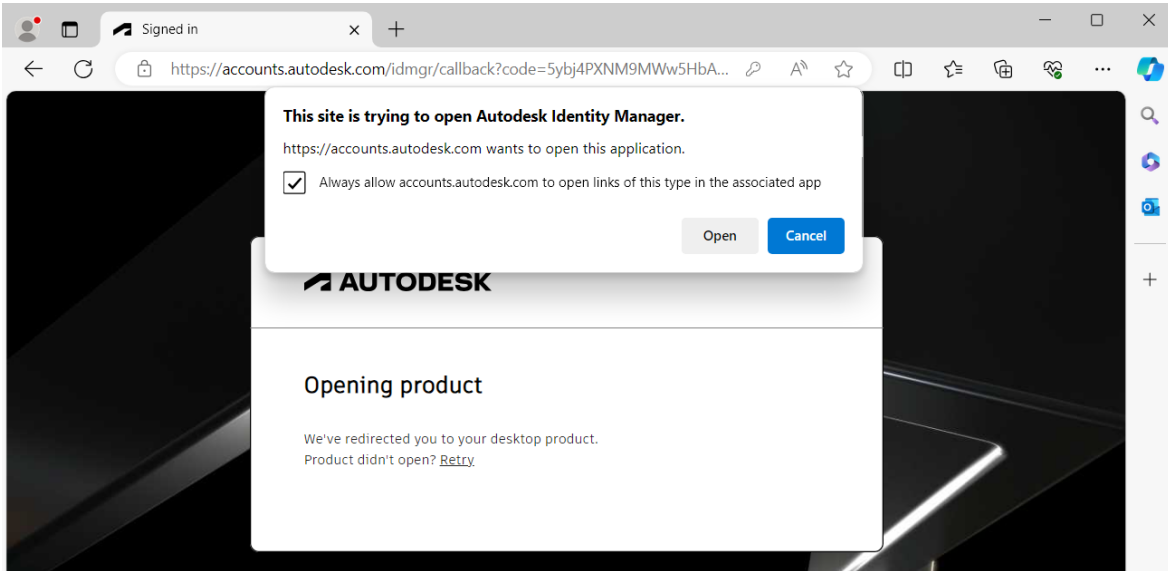

Open the program by double-clicking the icon on your desktop. After it opens, the sign-in page will appear. Click the “Sign in with your Autodesk ID”

Your default browser will open. Enter your username@huskers.unl.edu email address and Autodesk password to finish.

NEW THIS YEAR: Check the box to “Allow accounts.autodesk.com to open links of this type in the associated app” then “Open”

Click “Go to product” to open the program. You can now close the browser window.
