

Full or part-time Interior design internship position available for the summer. Primary job duties include processing new and discontinued materials for design library, assisting designers in preparing for client meetings, helping to price and create proposals, follow up on orders, providing backup assistance for retail customers, assist with inventory, and assisting with other duties as assigned. We are a small, busy company looking for good people. We offer a paid internship to join our team and have a fast paced work environment. We are looking for a team player who is willing to assist in any area needed and excited about residential design. Please email resume to: Lisza@coffeyandcompany.com, or mail to Coffey & Co. House of Interiors 3530 Village Drive Suite 200, Lincoln, NE 68516.
