

Looking for an eager, organized, and detail oriented, landscape designer to create beautiful and impactful designs and solutions for homeowner's and businesses outdoor needs. We want a professional who is truly passionate about their work and can drive sales with creativity and stellar ideas. Our company installs everything from simple tree plantings to outdoor kitchens and waterfalls. Elkhorn Lawn Care LLC will be your canvas for creativity and will help build your portfolio of work. Our target market is in West Omaha which is growing at a rapid rate. This will open opportunities for innovative and original design work. We are an established local company, celebrating 14 years of doing business. We are goal-oriented, customer-focused, and we reward our top performers. There is room for advancement shall this turn into full time employment. We pride ourselves on excellent employee/customer relationships as well as company comradery day in and day out!

Specific job duties:

The landscape design intern will use company software and networks to acquire necessary material for beautiful design creation. The job includes landscape design, possible in-person meetings, estimating and sales presentations. This intern designer will produce one of a kind landscape designs and detailed work orders to communicate effectively with our production staff. The designer will work closely with the landscape manager as well as the two owners of the business to establish production goals and design goals.

Daily Focus:

- Profitable estimating and effective/efficient planning to create easy work flow.
- Working with design while keeping sales in mind.
- Assist with scheduling, troubleshooting, closing out jobs, and prioritizing work
- Daily communication & updates to landscape manager and owners

Requirements:

- Minimum of 1-2 years in landscape architecture/design
- High level of knowledge: plants and their characteristics, drainage, retaining wall/patio uses, and ways to beautify outdoor spaces
- Bachelors degree in progress/completed
- Ability to use computer programs, electronic devices, and process paperwork.
- Outstanding written and verbal communication skills.

What you can expect from us:

- Internship with possible year-round position with no earning cap
- Paid internship
- Paid continuing education courses / seminars / certifications
- Company phone/tablet
- Family discount for services and materials
- Company grill outs, outings, and holiday parties

To be considered for this rewarding internship opportunity, please submit a cover letter with work resume to alex@elkhornlawncare.com
