College of Architecture
Student Support for Presentation of Research, Scholarship, Creative Activity
Academic Year 2020-21

Student generation of research, scholarship, and creative activity is important in the college, and the dissemination of peer-reviewed works will be supported. Students should exhaust application to other internal and external support mechanisms before applying for the college funds.

This funding is intended to cover online registration costs.

**National Venue:** up to $200 per student. If a team of students, the maximum expenditure for the team is not to exceed $600.

**Regional Venue:** up to $150 per student. If a team of 3 or more students, the maximum expenditure for the team is not to exceed $450.

For reimbursement guidelines, refer to the UNL Travel Services policies found at: [http://travel.unl.edu](http://travel.unl.edu)

In all cases, conference planning must include completion of the [Student Support for Presentation of Research, Scholarship, Creative Activity](http://travel.unl.edu) form (approved by the faculty member if appropriate and the Program Director) prior to the conference. The Dean's Office can assist with conference registration fees; otherwise, receipts must be supplied for purposes of reimbursement.

Students will be expected to give a presentation in the college following the conference.
