Checklist of required elements**

Part I Statistical Report	√	Included	Not Included
Part II Narrative Report	NA	Included	Not Included

**Section Two:
Assessment of Narrative Report**

Note: The University of Nebraska has a NAAB Visit in Spring 2009. Part II – Narrative of the Annual Report is not required in the year that an APR is submitted nor in the year that the program hosts a team visit. Therefore, there is no response to the Annual Report submitted for academic year 2007-2008.

[†] Although an area may be marked “satisfied, no further reporting required,” the next visiting team may include in its report its own assessment of the program’s response to the deficiency.

DEFICIENCIES

4.13.14 Accessibility

The program is clearly working to address this deficiency; please continue to report on progress.

CAUSES OF CONCERN

Signature Programs: Digital Design and Fabrication

The program is clearly working to address this concern. Please continue to report on progress and on the dean's efforts to obtain corporate sponsorship for digital design and fabrication resources..

Signature Programs: The Health Care Initiative

The program is clearly working to address this concern; please continue to report on progress.

Sustainability

Satisfied; no further reporting required. The program is continuing its efforts to "green" the curriculum, and a number of faculty members are involved in energy-related research programs and other cross-disciplinary projects.

Space and Facilities

The program continues to use off-campus studio space, and the efforts to consolidate space near Architecture Hall remains a challenge. Please continue to report on developments related to this concern.
