

Student Personal Computer Autodesk Installation

Be sure to have access to your @huskers.unl.edu email account first at:
<http://mymail.unl.edu>

Go to <http://students.autodesk.com/> and create an Autodesk account or use your existing account. **You must use your @huskers.unl.edu email address when you create your account with Autodesk.**

Click on “**SIGN IN**” at the top of the page to get started. This opens a login screen where you can now enter your @huskers.unl.edu email address.

A screenshot of the Autodesk 'Sign in' page. The page has a white background with the Autodesk logo in the top right corner. Below the logo, the text 'Sign in' is displayed. There is an 'Email' label above a text input field containing 'you@huskers.unl.edu'. A red arrow points to the input field. Below the input field is a blue button labeled 'NEXT'. At the bottom of the page, there is a link that says 'NEW TO AUTODESK? CREATE ACCOUNT'. A red arrow points to this link.

If you do not have an Autodesk account yet, click “**CREATE ACCOUNT**” to create one.

Once you have logged on, click the “STUDENTS” tab at the top.

Scroll down. Click “Get Products”

Access the Autodesk Education plan

Confirm your eligibility to get individual access to the free Autodesk products for educational use.

1. [Create an Autodesk account](#)
2. Confirm eligibility
Note: you may be asked to provide documentation ([Learn more](#))
3. Download and install software

[Get products](#) >

Eligible for product access through your educator? [Get instructions](#)

Not eligible for educational access? [Explore options](#)

At some point, you will be prompted to confirm your eligibility. You will need a picture of your UNL ID or a copy of your transcript to complete this step. For incoming freshmen without a UNL ID, you can use an unofficial transcript. To get your unofficial transcript, log into MyRed. Underneath the Academics tab, select Unofficial Transcript. You should be able to download the unofficial transcript from there and then upload it to verify your enrollment.

Hi, Matt!

We still need to confirm your eligibility for educational access to Autodesk products. [Learn more](#) or click [Get Started](#) to begin the process.

[GET STARTED](#) >

Fill out the next page, and be sure to enter "University Of Nebraska - Lincoln" as the "Name of the educational institution." It should auto-populate, and you can click it to select it.

Check your information below is correct and click [Verify](#)

All fields must be accurately completed to verify your eligibility to access Autodesk Education benefits. Thank you for helping us provide Autodesk tools for legitimate educational use around the globe.

Email

[Wrong email address? Update address](#)

First name **Last name**

Country or region of your educational institution **Institution type**

Name of educational institution

After you click 'VERIFY" you will need to upload a picture of your ID or transcript.

Additional documentation needed

Please upload a copy of documentation issued to you by your educational institution (e.g. tuition receipt or student ID, employee ID) as proof that you attend, teach or are employed at a **Qualified Educational Institution**

You have 14 days to upload your documentation

The document must include:

1. Your full legal name (**Matt Bukrey**)
Note: The name on the document you submit must match this.
2. The name of the educational institution at which you are enrolled or employed (**University of Nebraska-Lincoln (Lincoln, NE)**)
Note: The school name on the document you submit must match this.
3. A date within the current school term.

Preferred documents include:

- Transcript
- School-issued confirmation letter
- A copy of your student ID (photo ID not required)

Supported file types: JPEG, PDF, PNG, GIF

 Drag documents here, or [browse](#)

NOTE: If your uploaded document is too fuzzy to read, does not show your full and legal name, or shows a name different from the one you used for this Autodesk account, you will not be able to finalize the verification process. Please do not include any confidential information in the document you upload, such as social security numbers or banking details. Please ensure any sensitive information is blacked out before you upload your document.

Examples of preferred documents

School Transcript with full name of student, school name, and date

School-issued confirmation letter
School letterhead with full name of student or faculty member, school name, and date

School ID ID badge with full name of student or faculty member, school name, and date, photo

You will get this confirmation after the upload completes. It may take up to 24 hours to receive the email from Autodesk.

Thank you

The process to verify your eligibility to access Autodesk Educational licenses has now started. The verification process can take up to 20 minutes to complete. Please check your email for next steps. Also be sure to check your junk/ spam folder

When you click **"Get product"** on **"REVIT"** or **"AUTOCAD"** the box changes to include the **"INSTALL"** button. Click the **"Accept"** to begin the download of the install file.

This will download a small program to your "Downloads" folder. Double Click it to begin the installation process. You will repeat the process for Revit.

This will start the actual installer for the program.

Click **“Install”** to begin.

Do not restart yet.

Click **“Finish”**

Open the program by double-clicking the icon on your desktop. After it opens, the sign-in page will appear. Click the “Sign in with your Autodesk ID”

Enter your username@huskers.unl.edu email address and Autodesk password to finish.
