

Landscape Architecture Internship

Summer and/or Fall 2026

Location: St. Louis, Missouri

Work Environment: In-Office with Flexibility

About DTLS

DTLS is a St. Louis-based landscape architecture studio focused on delivering intelligent and imaginative design solutions for a wide range of project types, always seeking to blend the natural and built, and to design places that perform and inspire. We believe that good design has the power to make the places we live and work better. Our process relies on trust, expertise, and accountability - building lasting relationships through our work with clients, stakeholders and communities.

Why Intern with Us?

As a DTLS intern, you'll be part of a talented team working on real-world projects that impact communities. We offer a hybrid environment, focused on a studio setting with the flexibility to work remotely as needed. The position is full-time, ranging from 30-40 hours per week, paying an hourly living wage, and providing a rich learning environment to grow your skills and contribute to meaningful design work.

Responsibilities

- Collaborate with Landscape Architects and Designers on a wide range of projects
- Assist project team members with various support tasks, such as preparing reports, presentations, and graphics
- Conduct basic research and data collection related to project requirements
- Maintain organized records, collections, and files for specific projects
- Contribute to the development of visual materials, including renderings and site plans
- Perform additional tasks as assigned by the project team

Qualifications

- Pursuing a Bachelor's or Master's Degree in Landscape Architecture
- Proficiency in software such as AutoCAD, Adobe Creative Suite, SketchUp, Google Suite, and Microsoft
- Strong graphic, communication, and organizational skills
- An eagerness to learn, contribute, and collaborate in a team-oriented environment
- Passion for landscape architecture, design, and sustainability

Application Requirements

To apply, please submit the following materials in PDF format:

- Cover letter
- Resume
- Portfolio

Applications are being accepted until February 20, 2026.

Applicants will be notified of their application status by April 7, 2026.
